EVisi Group Health & Safety Policy

EVisi Group Ltd is committed to providing a safe and healthy work environment for all members of the EVisi company and ensuring the safety of EVisi partners on sites not directly in the control of EVisi.

We believe that:

- Health and Safety takes priority over work objectives
- All personnel and agent staff have the responsibility to stop any job that is unsafe or cannot be undertaken in a safe manner

To achieve our goal of zero injuries, effective health and safety processes shall be maintained to identify and manage our risks involved with EVisi operations.

To achieve this, EVisi will:

1. Comply with all relevant health and safety legislation, standards and codes of practice;
2. Promote a system of continuous improvement, including the annual review of policies and procedures;
3. Consider health and safety in planning and conducting business activities and to promote systems to strive for best practice;
4. Manage accurate and timely recording, investigation and remediation of accidents and incidents to learn and prevent re-occurrence;
5. Provide adequate health and safety training for employees and partners so that they understand the risks associated with their work;
6. Encourage staff and partner consultation and participation in health and safety management;
